

St. Avila School Milk Program

Feb 1-June 25

The 2nd half of St Avila's milk program will be starting on Monday, February 1, 2010. Cold milk is delivered at lunchtime to the student in their class. The prices are **75 cents** for a 250 ml carton of 2% white milk, and **75 cents** for a 250 ml carton of 1% chocolate milk.

Children are not charged for School Holidays. If you would like your child to participate, please return this form along with your payment **by Thurs Jan 21.** Cheques should be payable to St. Avila Home and School Association (SAHASA).

DID YOU KNOW that chocolate milk has less sugar than fruit juice and it contains part of your child's daily calcium requirement?! <http://www.milk.mb.ca/school/chocolatemilk.pdf>

New Format:

Select the options you want and total it up. You may buy a combination of the options below. This will cover milk delivery from Monday February 1 to Friday, June 25.

Example: Sarah wants chocolate milk every day. She would pay \$39.75 for M/W/F chocolate milk and \$30.00 for T/Th chocolate milk. A total of \$69.75 is sent.

Milk Tickets

For those students who want milk occasionally, tickets can be bought in groups of 10. Put a ticket in your child's lunch bag when they should receive milk. The student would hand this to the milk monitor and indicate chocolate or white milk. No refunds will be given on the tickets purchased but they can be used in the following school year.

Example: Tanis is having cereal for lunch today. Her dad puts a milk ticket in her lunch bag and Tanis gives it to the milk monitor and asks for white milk.

If you have any questions, please do not hesitate to contact Sheila @ 223-7561 cell or sheila@mitchell-dueck.com. (**Time Payments available.** Please contact Sheila for details)

RETURN THIS FORM BY Thursday Jan 21.
