

## **Massey Student to Travel to Europe**

This year 36 Massey students will be doing something a little different with their Spring Break – they will be walking in the footsteps of their great grandfathers as they tour Canada's battlefields in Europe. Accompanied by their Social Studies teachers these students will visit sites such as the Somme, Vimy Ridge and Ypres from World War I, and Dieppe and Juno Beach from World War II.

The students are very excited and eager to be well prepared for this journey. They meet regularly to learn about the battles, the conditions the men endured, and the significance of each of these places in Canadian History. These students will travel as excellent ambassadors for Massey, and for Canada, and will come home with a far greater understanding and appreciation of the sacrifices made by their forefathers.
