

April 2017

Hello Pembina Trails Families,

You are invited to join us for a Right at School parent/guardian information evening. In March, we announced that Pembina Trails will be welcoming a new before and after school service option to our families.

[Right at School](#) strives to provide safe, engaging and meaningful before and after school programming. The caring staff are trained in helping students with homework and leading fun and fitness based activities. Please take a look at "[A Day in the Life at Right at School](#)" for a better understanding of what the before and after school care will look like.

We expect that in September 2017, the program will be offered at a number of Pembina Trails schools. We understand you may have questions, and that is why we will be offering four separate forums where parents/guardians can come and learn more about the program. Representatives from Right at School, administrators and members of our senior administration team will be in attendance and able to share more details.

Please see below schedule for your school's information evening date, time and meeting location:

Tuesday May 2, 2017

| 5:00 – 6:00 p.m. | 7:00 – 8:00 p.m. |
